The North Devon Vet Physio may take pictures/videos of your animal(s) during appointments for visual notes to go alongside written notes. These images may also be used on social media platforms (website, Facebook, Instagram). Your animal's name and general condition may also be used but none of your personal details (address, contact details, etc) will appear in these posts.

If you share any images of your animals to social media, there is a possibility The North Devon Vet Physio may share these photos/videos across The North Devon Vet Physio's social media platforms.

If you **DO NOT** want your animal's pictures/videos on social media, please tick this box (or type no)

By signing this form, you agree that you have read the terms and conditions on the website and consent to the above animal receiving physiotherapy treatment.

Signed (or name in italic):
